For exhibition opportunities please contact jenny@woundcare4heroes.org.uk
Who should attend?

Woundcare4Heroes 2nd Annual Conference 2014: Complexities of military traumatic wounds and transitional management will be of particular interest to:

• Wound care and tissue viability specialists
• Burns, plastics and trauma specialists
• District and practice nurses
• Military and Territorial Army nurses
• All other professionals with an interest in complex wound healing

Objectives:

The benefits of attending Woundcare4Heroes 2nd Annual Conference 2014: Complexities of military traumatic wounds and transitional management will be:

• To increase your understanding of traumatic ballistic injury care
• To understand current practice and key drivers evolving trauma care in the UK
• To be updated on the difference between military and civilian trauma
• To understand reconstruction considerations following traumatic injury
• To gain insight into the dieticians intervention and use of supplementation to progress healing
• To explore wound microbiology following traumatic ballistic injury
• To gain a better understanding of transitional and lifelong care post-trauma
